The Raleigh-Wake Composite Squadron will be hosting the NC Group 2 Airman and Staff Development training weekend at Medoc Mt. State Park. A training weekend that goes beyond Great Start. This event has become “*the*” place for cadets of all grades to advance their training and confidence through new experiences, duty positions, challenging conditions and coordination with cadets from around the North Carolina Wing. This year’s CTW is planned with more activity focused training, to include Aerospace activities, outdoor adventure fitness training and more. An event not to be missed, providing cadets with comprehensive and exciting activities in a field training environment.

*New to CAP?* We have a place for you as well. This year we will be offering the CAP Great Start curriculum as well. Great Start will run throughout the weekend while offering members a unique opportunity to participate in a larger event with Cadets from across the Wing. Sign up early as we can only accept a limited number of Great Start Cadets at this time. Great Start applicants will be emailed more detailed information after registration has been received.

**STAFF DEVELOPMENT SCHOOL:** Cadet Staff Sergeant and higher (Cadet Officers encouraged) will be challenged throughout the event in learning to lead drill, instructing and mentoring newer cadets, staff position shadowing and assuming duty positions.
